

50th Reunion

September 16-17-18, 2011

A Villa Louisa
60 Villa Louisa Rd
Bolton, CT 06043-7540
(860) 646-3161

Welcome

Your reunion committee would like to thank everyone that responded to our invitation whether you are able to be with us at the reunion or not. Some of you provided addresses for people that we had lost track of; making it possible for us to get the word out to more of our classmates. It is hard to believe that 50 years have passed since our high school days.

We hope that everyone will forget the everyday chores and problems for this special weekend. We are here to renew old friendships and perhaps establish some new ones. With 693 seniors listed in Somanhis, most of us did not know everyone.

As one of our classmates commented on his response to our 45th Reunion invitation, "Wasn't it great that we grew up in Manchester when we did? We received a solid foundation in all respects that kids today seem to miss." We were fortunate to grow up when we did. We were allowed to be kids and have fun without worrying about being kidnapped or shot at. We had Drive-In restaurants (remember Deci's), drive-in movies (there is still an active one in Mansfield CT) and Friday night sock hops. Remember decorating the school gym for proms? We didn't need fancy hotels and limosines to have fun. I guess we sound like the parents in that old musical "Bye Bye Birdie" when they sang "What's the matter with kids today?"

We would like to thank John McCarthy and Bruce Bonadies for putting together the golf outing; Barry Cowles for putting together a motorcycle run; Lois Caddy Lawrence for arranging the tour of MHS; Cheri Williams for the handouts that were given to golfers.

Your reunion committee.

Our daughter, who teaches in Attleboro, MA, has two boys. They are enthusiastic hockey players so much of our time is spent in ice rinks. Baseball will start soon. We enjoy vacationing in Nantucket with our son and his young family. He resides in Trumbull, CT. This summer the whole family will enjoy vacationing in Chatham and this fall Caryl and I will visit Nova Scotia.

Malcolm Barlow, 2 Children, My father was born and raised in Manchester. I was born and raised in Manchester. My father and all of his 6 children completed the Manchester school system. My 2 daughters went through the same school system. I've now spent all but a few years of my adult life living and working in Manchester. The place has grown on me. My wife, Susan (Cronin) Barlow (Class of 1963), also went through the school system. She retired from full time work some years ago and has been writing and filming about Manchester history ever since. I'm beginning to understand why Manchester is such a great place. This town does its best for everyone who comes here. This town nurtures everyone to the point they can do their best whether they stay here or travel the world. We might struggle to leave, to rise above this place, but Manchester has often given us the best parts of who we are. I still practice law within sight of Manchester High School. Even if old age forces me to retire, I'm staying in the City of Village Charm.

To make a long story short, I submitted a bid to machine them out of one piece of aluminum. I got the job to make new panes with the fire power of this aircraft, I feel I helped to save lives of some of our ground troops.
