

45th Reunion

Georgina's Restaurant  
Bolton, CT  
September 16, 2006

# Welcome

Your reunion committee would like to thank everyone that responded to our invitation whether you are able to be with us at the reunion or not. Some of you provided addresses for people that we had lost track of, making it possible for us to get the word out to more of our classmates. Several people stated while unable to attend this year, they are looking forward to the 50<sup>th</sup> in five years. It is hard to believe that so much time has passed since our high school days.

We hope that everyone will forget the everyday chores and problems for a few hours. We are here to renew old friendships and perhaps establish some new ones. With 693 seniors listed in Somanhis, most of us did not know everyone.

As one of our classmates commented on his response, "Wasn't it great that we grew up in Manchester when we did? We received a solid foundation in all respects that kids today seem to miss." We were fortunate to grow up when we did. We were allowed to be kids and have fun without worrying about being kidnapped or shot at. We had Drive-In restaurants (remember Deci's), drive-in movies (there is still an active one in Mansfield CT) and Friday night sock hops. Remember decorating the school gym for proms? We didn't need fancy hotels and limosines to have fun. I guess we sound like the parents in that old musical "Bye Bye Birdie" when they sang "What's the matter with kids today?"

We would also like to thank: England Hardware, Georgina's Restaurant, Bolton Notch Wine and Spirits and Lois Caddy Lawrence for generous donations to the door prizes.

Please enjoy your evening and let us know if you have any ideas that you would like us to consider for our 50<sup>th</sup> reunion.

Your reunion committee.

DO YOU REMEMBER WHEN...?

All the girls had ugly gym uniforms?

It took five minutes for the TV warm up?

Nearly everyone's Mom was at home when the kids got home from school? Nobody owned a purebred dog?

When a quarter was a decent allowance? You'd reach into a muddy gutter For a penny?

Your Mom wore nylons that came in two pieces?

All your male teachers wore neckties and female teachers had their hair done every day and wore high heels?

You got your windshield cleaned, oil checked, and gas pumped, without asking, all for free, every time? And you didn't pay for air? And, you got trading stamps to boot?

Laundry detergent had free glasses, dishes or towels hidden inside the box?

It was considered a great privilege to be taken out to dinner at a real restaurant with your parents?

They threatened to keep kids back a grade if they failed ...and they did?

When a 57 Chevy was everyone's dream car ...to cruise, peel out, lay rubber or watch submarine races, and people went steady?

No one ever asked where the car keys were because they were always in the car, in the ignition, and the doors were never locked?

Lying on your back in the grass with your friends and saying things like, "That cloud looks like a."

And playing baseball with no adults to help kids with the rules of the game?

Stuff from the store came without safety caps and hermetic seals because no one had yet tried to poison a perfect stranger?

And with all our progress, don't you just wish, just once, you could slip back in time and savor the slower pace, and share it with the children of today?

When being sent to the principal's office was nothing compared to the fate that awaited the student at home? Basically we were in fear for our lives, but it wasn't because of drive-by shootings, drugs, gangs, etc. Our parents and grandparents were a much bigger threat! But we survived because their love was greater than the threat.

Send this on to someone who can still remember Nancy Drew, the Hardy Boys, Laurel and Hardy, Howdy Dowdy and the Peanut Gallery, the Lone Ranger, The Shadow Knows, Nellie Bell, Roy and Dale, Trigger and Buttermilk.

As well as summers filled with bike rides, baseball games, Hula Hoops, bowling and visits to the pool, and eating Kool-Aid powder with sugar. Didn't that feel good, just to go back and say,

"Yeah, I remember that"?

I am sharing this with you today because it ended with a double dog dare to pass it on. To remember what a double dog dare is, read on. And remember that the perfect age is somewhere between old enough to know better and too young to care.

How many of these do you remember?

Candy cigarettes Wax Coke-shaped bottles with colored sugar water inside Soda pop machines that dispensed glass bottles Coffee shops with tableside jukeboxes Blackjack, Clove and Teaberry chewing gum Home milk delivery in glass bottles with cardboard stoppers Newsreels before the movie P.F. Fliers

Telephone numbers with a word prefix .... (Mitchell 3-4744). Party lines

Peashooters, Howdy Dowdy, 45 RPM records, Green Stamps, Hi-Fi's, Metal ice cube trays with levers, Mimeograph paper Beanie and Cecil,. Roller-skate keys, Cork pop guns, Drive ins, Studebakers, Washtub wringers, The Fuller Brush Man, Reel-To-Reel tape recorders, Tinkertoys, Erector Sets, The Fort Apache Play Set, Lincoln Logs, 15 cent McDonald hamburgers, 5 cent packs of baseball cards - with that awful pink slab of bubble gum, Penny candy, 35 cent a gallon gasoline, Jiffy Pop popcorn

Do you remember a time when...

Decisions were made by going "eeny-meeny-miney-moe"?  
Mistakes were corrected by simply exclaiming, "Do Over!"?  
"Race issue" meant arguing about who ran the fastest?  
Catching the fireflies could happily occupy an entire evening?  
It wasn't odd to have two or three "Best Friends"?

The worst thing you could catch from the opposite sex was "cooties"?  
Having a weapon in school meant being caught with a slingshot?  
A foot of snow was a dream come true?

Saturday morning cartoons weren't 30-minute commercials for action figures?  
"Oty-oly-oxen-free" made perfect sense?  
Spinning around, getting dizzy, and falling down was cause for giggles?

The worst embarrassment was being picked last for a team?  
War was a card game?  
Baseball cards in the spokes transformed any bike into a motorcycle?  
Taking drugs meant orange-flavored chewable aspirin?  
Water balloons were the ultimate weapon?

If you can remember most or all of these, then you have lived!!!!!!!

Pass this on to anyone who may need a break from their "grown-up" life....I double dog-dare-ya
